If the premiums are the same, the award shall be made by lot by the School District President of the Board of Education. The School District may, after selecting the low bidder, decrease the aggregate principal amount of the Bonds in an amount not in excess of the premium offered by the successful bidder and, if so decreased, the amount of such Bonds will be adjusted to the extent necessary, in order that the total proceeds, which include the total principal amount of the Bonds plus the original issue premium, if any, received by the School District does not exceed the maximum amount permitted under applicable provisions of the Code. The Municipal Advisor will advise the winning bidder if the Competitive Sale Requirements were met at the same time it notifies the winning bidder of the award of the Bonds. Bids will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied.

If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor shall be at the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance, unless otherwise paid, shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued, shall not in any way relieve the purchaser of his contractual obligation arising from the acceptance of his proposal for the purchase of the Bonds.

The winning bidder shall, within one (1) hour after being notified of the award of the Bonds, advise the Municipal Advisor by electronic or facsimile transmission of the reasonably expected initial public offering price or yield of each maturity of the Bonds (the "Initial Reoffering Prices") as of the date of the award.

By submitting a bid, the winning bidder agrees (unless the winning bidder is purchasing the Bonds for its own account and not with a view to distribution or resale to the public) that if the Competitive Sale Requirements are not met, it will elect and satisfy either option (1) or option (2) described below. *Such election must be made on the bid form submitted by each bidder.*

For purposes of the "hold the price" or "follow the price" requirement described below, a "maturity" refers to Bonds that have the same interest rate, credit and payment terms.

(1) Hold the Price. The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide Bond Counsel with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will neither offer nor sell to any person any Bonds within a maturity at a price that is higher, or a yield that is lower, than the Initial Reoffering Price of such maturity until the earlier of (i) the date on which the winning bidder has sold to the public at least 10 percent of the Bonds of such maturity at a price that is no higher, or a yield that is no lower, than the Initial Reoffering Price of such maturity or (ii) the close of business on the 5th business day after the date of the award of the Bonds, and

(c) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the limitations on the sale of the Bonds as set forth above

(2) Follow the Price. The winning bidder:

(a) will make a bona fide offering to the public of all of the Bonds at the Initial Reoffering Prices and provide the School District with reasonable supporting documentation, such as a copy of the pricing wire or equivalent communication, the form of which is acceptable to Bond Counsel,

(b) will report to the School District information regarding the first price that at least 10 percent of the Bonds within each maturity of the Bonds have been sold to the public,

(c) will provide the School District with reasonable supporting documentation or certifications of such sale prices the form of which is acceptable to Bond Counsel. This reporting requirement, which may extend beyond the closing date of the Bonds, will continue until such date that the requirement set forth in paragraph (b) above for each maturity of the Bonds is satisfied, and

(d) has or will include within any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the winning bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, language obligating each underwriter to comply with the reporting requirement described above.

Regardless of whether or not the Competitive Sale Requirements were met, the winning bidder shall submit to the School District a certificate (the "Reoffering Price Certificate"), satisfactory to Bond Counsel, prior to the delivery of the Bonds stating the applicable facts as described above. The form of Reoffering Price Certificate is available by contacting Bond Counsel or the Municipal Advisor.

If the winning bidder has purchased the Bonds for its own account and not with a view to distribution or resale to the public, then, whether or not the Competitive Sale Requirements were met, the Reoffering Price Certificate will recite such facts and identify the price or prices at which the purchase of the Bonds was made.

For purposes of this Notice, the "public" does not include the winning bidder or any person that agrees pursuant to a written contract with the winning bidder to participate in the initial sale of the Bonds to the public (such as a retail distribution agreement between a national lead underwriter and a regional firm under which the regional firm participates in the initial sale of the Bonds to the public). In making the representations described above, the winning bidder must reflect the effect on the offering prices of any "derivative products" (e.g., a tender option) used by the bidder in connection with the initial sale of any of the Bonds.

The Bonds will be delivered in Jersey City, New Jersey (through the facilities of DTC) or at such other place as may be agreed with the purchasers on or about September 16, 2021. The purchase price of the Bonds, in accordance with the purchaser's bid, shall be paid in federal funds or other funds available for immediate credit on such delivery date.

The Bonds are general obligations of the School District. All the taxable real property within the School District is subject to the levy of ad valorem taxes to pay the Bonds and interest thereon, without limitation as to note or amount. The State Constitution requires the School District to pledge its faith and credit for the payment of the principal of the Bonds and interest thereon and to make annual appropriation for the amounts required for the payment of such interest and the redemption of the Bonds. The State Constitution also provides that if at any time the appropriating authorities fail to make the required appropriation for annual debt service on the Bonds and certain others obligations of the School District, a sufficient sum shall be set apart for the first revenue thereafter received and shall be applied for such purposes, and also the chief fiscal officer of the School District may be required to set apart and apply such revenues as aforesaid suit of any holder of such obligations.

In the event of a default in the payment of the principal of and/or interest on the Bonds, the State Comptroller is required to withhold, under certain conditions prescribed by Section 99b of the State Finance Law, state aid and assistance to said School District and to apply the amount thereof so withheld to the payment of such defaulted principal and/or interest, which requirement constitutes a covenant by the State of New York with the holders from time to time of the Bonds.

As a condition to the purchaser's obligation to accept delivery of and pay for the Bonds, the purchaser will be furnished, without cost, the following, dated as of the date of the delivery of and payment for the Bonds: (i) a Closing Certificate, constituting receipt for the Bond proceeds and a signature certificate, which will include a statement that no litigation is pending or, to the knowledge of the signers, threatened affecting the Bonds; (ii) an arbitrage certificate executed on behalf of the School District which includes, among other things, covenants, relating to compliance with the Code, with the owners of the Bonds that the School District will, among other things, (A) take all actions on its part necessary to cause interest on the Bonds not to be excluded from the gross income of the owners thereof for Federal income tax purposes, including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Bonds and investment earnings thereon, making required payments to the Federal government, if any, with regard to both the Bonds and any obligations refunded with proceeds of the Bonds, and maintaining books and records in a specified manner, where appropriate, and (B) refrain from taking any action which would cause interest on the Bonds to be includable in the gross income of the owners thereof for Federal income tax purposes, including, without limitation, refraining from spending the proceeds of the Bonds and investment earnings thereon on certain specified purposes; and (iii) the approving legal opinion as to the validity of the Bonds of Barclay Damon LLP, Albany, New York, Bond Counsel.

The successful bidder may, at its option, refuse to accept the Bonds if prior to delivery of the Bonds any new income tax law shall provide that all or part of the interest on such Bonds is taxable, or shall be taxable at a future date for federal income tax purpose
